----- **This is an application for a permit – It is not valid until processed** -----

I hereby apply for a Demolition Permit. I acknowledge that the information above is complete and accurate. I understand this is not a permit and work is not to start without a permit being issued.

I understand and hereby agree that the work for which the permit issued shall be performed according to; (1) the conditions of the permit; (2) the approved plans and specifications; (3) the applicable city approvals, ordinances, and codes; and, (4) the state building/mechanical codes and regulations.

I understand that the permit will expire, and become null and void if work is not started within 180 days, or if work is suspended or abandoned for a period of 180 days any time after work has commenced; and, that I am responsible for ensuring that all required inspections are requested in conformance with the state building code.
