----- **This is an application for a permit – It is not valid until processed** -----

I hereby apply for a Deck/Porch permit, and I acknowledge that the information above is complete and accurate. I understand this is not a permit and work is not to start without a permit. **Separate permits are required for electrical, plumbing, heating, ventilating, or air conditioning.**

I understand and hereby agree that the work for which the permit issued shall be performed according to; (1) the conditions of the permit; (2) the approved plans and specifications; (3) the applicable city approvals, ordinances, and codes; and, (4) the state building/mechanical codes and regulations.

I understand that the permit will expire, and become null and void if work is not started within 180 days, or if work is suspended or abandoned for a period of 180 days any time after work has commenced; and, that I am responsible for ensuring that all required inspections are requested in conformance with the state building code.

RESIDENTIAL SITE PLAN CHECKLIST

For Accessory Structures, Building Additions, Decks/Porches and Pools

Drawings shall be on an existing survey if available. Contact the Building Department at 763.635.1060 to inquire if your property has a survey on file. If this checklist is not signed/initialed or any of the required information is missing, the permit will be put on hold until the applicant provides all the required information.

Required on the Site Plan:

- North Arrow
- Dimensions to proposed project from all property lines (**not street/curb edges**)*
- Label all adjacent streets
- Location of driveway(s)
- Easements on property (**no structures are allowed in easements**)
- Square footage of all existing garages/sheds (*if applicable*)
- Well, septic tank and drain field locations (*if applicable*)
- All ponds, wetlands, lakes, rivers, creeks, ordinary high water elevations and Wild & Scenic setback requirements (*if applicable*)
- Location of retaining walls (*if applicable*)

*Typically corners of a property are marked with metal stakes that are approximately 16"-18" below grade. These stakes might be found with a metal detector. If corner stakes cannot be found or location of property lines is unknown, the property owner should contact a land surveyor to properly locate the corner stakes and property lines.

POOLS

_____ Initial if you are installing a pool. Fencing shall be installed prior to filling the pool, as required by the Elk River City Ordinance, Section 30-796. *If this is not initialed, you will be contacted to do so before the permit will be reviewed.*

I understand that providing false information or omitting relevant information in this building permit application may result in denial of the application. I have provided the above information and understand that I am solely responsible for any and all information submitted with this building permit application and declare that all information is correct as shown.
