City Beautification Award Policy

What is the City Beautification Award?

The City Beautification Award recognizes business owners whose efforts to clean, repair, improve and enhance the overall aesthetics of either the interior or exterior of the business, property and/or space thereby maintaining the beauty of their neighborhood and surroundings. It is presented to encourage community improvements, enhance our city's image and economic vitality.

From May through October, The Beautification Committee will accept nominations from the public and/or self-nominations. Nominations meeting the judging rubric of the Beautification Award will become finalists. All finalists will receive public recognition for making and continuing to help keep the City of Elk River beautiful!

Businesses can be nominated for this award by others within the community or they may nominate themselves (self-nomination is encouraged!). Award finalists will be shown in promotional materials.

In November of each year, the Beautification Committee will select one of the finalists to be awarded The City Beautification Award. The City Beautification Award Recipient will receive the award at the following EDA meeting presented by the EDA President and a member of the Beautification Committee. In addition, award recipient will be recognized by the Mayor and City Council at their November meeting.

What does the Beautification Committee look for?

The City of Elk River Beautification Committee seeks to recognize commercial/industrial site improvements, commercial/industrial upgrades, landscapes, interior/exterior renovations, restorations, and new structures that are architecturally noteworthy and well maintained.

A major criterion is how the project visually enhances the surrounding neighborhood and community. How the business incorporates design, maintenance, color, organization and creativity within the existing community. Improvements to structures, interior/exterior spaces and the landscaping are important elements for consideration.

Applications will be evaluated based on the overall visual appearance of the completed project.

Application Requirements

1. Submit completed entry form plus at least two high-quality digital photos, including a “before” if available and “after” (if applicable) by the first Monday of each month beginning in May through October of each year.
2. Deliver via email by the end of the business day on the first Monday of the month:
Subject: Attention City of Elk River Beautification Committee
 Attach the completed and signed form and pictures to the
