

2019 BURNING MAP

Within this boundary, a SPECIAL Open Burn Permit is required for open burning in the following circumstances:

1. Any open burning in a "no-burn" area of the city. Requests for special open burn permits within the "no-burn zone" shall be made in writing to the fire chief and shall detail the special circumstances warranting the request. Open burning occurring within the "No-Burn Zone" shall be at least 600 feet from any structure.
2. Any person requesting to burn between the hours of 8:00 a.m. and 6:00 p.m. when there is not more than three or more inches of snow cover.
3. Running fires for the purposes of vegetative management as defined in section 22-101.

Outside of boundary, no person shall start or allow any open burning **on any property** in the city without first having obtained an Open Burn Permit. A permit is not required for any fire, which is a recreation fire as defined in section 22-104.

1. Open burning is only permitted between the hours of 6:00 p.m. to 8:00 a.m., except when there is snow cover of three or more inches.
2. In the event there is snow cover of three or more inches, open burning may occur 24 hours per day.
3. Open burning permits shall be issued through the city, by the fire chief, assistant fire chief, or state fire warden.
4. A three day open burning permit may be acquired at no charge at Elk River City Hall.

Please contact City Hall to obtain either permit at 763.635.1000
