

Together Elk River is a community initiative to encourage, engage, and support local businesses, non-profits, and neighbors in need through challenging times.

Show your creativity by completing this coloring page and upload it to social media using **#TogetherElkRiver** to have it added to Elk River City Government's Facebook album, or turn it in at the city's weekly Farmers Market (Thursdays, 3:00-7:00 p.m., Downtown Elk River) for a \$1 market cash coupon. We're in this together, Elk River! Thank you for your support!
